Opening of a new Toll Gate.

READ—

Letter No. 1824, dated 18th December 1924, from the Secretary, Public Works Department, submitting, with reference to the Dewan's observations during his tour in the Shimoga District in January 1923, the correspondence relating to the opening of two toll-gates in the district with a view to earmark the whole of the realizations for the improvement of certain roads.

ORDER No. R. 4926-9—R. M. 24-24-5, DATED 13TH FEBRUARY 1925.

The question of opening two toll-gates, one near the frontier on the Kogar-Nagavalli-Bhatkal road and the other near Aralgod on the Talaguppe-Aralgod-Kogar road in the Shimoga District was suggested for consideration in the Dewan's tour notes. The Deputy Commissioner, Shimoga District, who was consulted by the Public Works Department is of opinion that the former gate might conveniently be located at a point 13 miles and two furlongs distant from Kogar and a mile and a half from Nagavalli and that the toll-gate near Aralgod is unnecessary as by its establishment carts passing through the place will have to pay toll twice before they leave Mysore limits.

Government direct that a toll-gate (Provincial) be established near Kogar at the place selected by the Deputy Commissioner, Shimoga District.
